

Hello Karen

Thank you for getting in touch and as promised I have detailed the site prices below for tents, caravans and motorhomes.

We have a group price which we will be able to offer when kayakers stay on site for a minimum of 2 nights over the 10th, 11th and 12th May 2013 which will save any one who is not a member of the Camping and Caravanning Club £7.20 per nights which is the non-member pitch fee.

Therefore the cost to stay will be £9.05 per adult per night, with an additional cost of £3.85 per pitch per night for a hard standing or grass with electric.

Members of the Camping and Caravanning Club who are aged 55 or over will receive an age concession discount and pay £6.25 per person per night, with the additional cost of £3.85 per pitch per night for a hard standing or grass with electric.

We also have Camping Pods on site which are £42.75 a night (minimum 2 night stay over a weekend). These will sleep up to 3 adults or 2 adults and 2 children and dogs are allowed in the pods.

Please find attached our leaflet with more information and please get in touch if you have any questions.
